

Holy Heart High School

 search.student-management.com/property/holy-heart-high-school/

Holy Heart High School enrolls over 1,000 students in grade 10 through 12. The school prides itself on its diverse educational offerings. Besides its core curriculum, Holy Heart offers Advanced Placement courses and International Baccalaureate courses. The school offers students access to four computer labs, as well as science labs for physics, chemistry and biology. Holy Heart High School looks to challenge its students to reach their full potential. By offering a diverse curriculum, the school is able to engage each and every one of its students.

About the Location: St. John's is the largest city in the province of Newfoundland and Labrador, with a population of over 100,000 people. The historic city is home to museums, art galleries, recreational parks and much more. The city is also home to a variety of marine life, including diverse species of whale that can be found in the coastal waters. Whether you are looking to hike through the beautiful landscape, discover marine wildlife or explore downtown, St. John's has something for everyone.
