Selkirk Secondary is truly a unique school, located in a very convenient spot of British Columbia. Selkirk is able to offer all of the traditional academic programs while maintaining some of its own unique electives. The school prides itself on its very diverse, yet intriguing, course load. Also, the International Student Program at Selkirk is one of the oldest and most highly-regarded in Canada. There are currently 57 students in the program from Spain, China, Germany, Japan, Korea, India, Taiwan and Australia.

**About the Location:** Selkirk Secondary is located in Kimberley, British Columbia. It is within walking distance of the Kimberley Alpine resort which gives every student easy access to the mountain all year round. Students can ski, snowboard, as well as hike on the mountain. Kimberley sits amongst a spectacular natural setting with numerous creeks, rivers and lakes. The city also has the largest urban park in British Columbia. Boasting 2,125 hours of sunshine per year, the areas year-round recreational opportunities abound.

**Extracurricular Activities:** The type of clubs that the school offers range from academic like clubs, such as a Math club, to more extracurricular type of clubs, such as a Yearbook club.

**Sports Offered:** Badminton, Baseball, Basketball, Cross Country, Golf, Soccer, Swimming, Volleyball and Wrestling
