

Centennial High School

search.student-management.com/property/centennial-high-school/

Centennial High School focus on developing their students as learners, individuals and citizens. One unique feature about Centennial High School is its Your Opportunities to Enhance Success (YOTES) program. Through this program, students and teachers meet each Friday to help develop stronger relationships that promote and enhance the educational experience. Not only does the school encourage educational excellence, but it also focuses excellence in all aspects of life. "Making the world a better place," is Centennial High School's motto, and students who attend the school are given the tools make an impact.
