

Golden Secondary

 search.student-management.com/property/golden-secondary/

Golden Secondary School is a dual-track public high school in Golden, British Columbia, and part of School District 6 Rocky Mountain. Golden Secondary School strives to be a student centered, positive learning environment that promotes personal growth and encourages excellence in the arts, academic, athletic and vocational areas. The beautiful school building houses networked classrooms and science labs, PC and Mac labs, a modern library, textiles, mechanics, wood and metal shops, music, art and drama facilities, and more.

About the Location: Golden Secondary School is located in south eastern British Columbia, Canada. It is a very safe, small community with excellent recreation facilities, yet it is close enough to larger centers that locals make frequent trips for various city activities. It is near several National Parks and is surrounded by mountains with beautiful scenery. It has an award winning golf course and is home to the Kicking Horse Mountain Resort, one of the most exciting ski destinations in Canada.

Extracurricular Activities: Theatre club, Forensics club, Biking club, Running club, French club, and a Booster club along with many others.

Sports Offered: Badminton, Basketball, Cross Country, Golf, Soccer, Swimming, Track, Volleyball and Wrestling
