

John McCrae Secondary School

 search.student-management.com/property/john-mccrae-secondary-school/

John McCrae Secondary School (JMSS) is dedicated to meeting the needs of all its students. The school has established a safe and welcoming environment, allowing students to focus on academic success. Students are challenged academically, allowing them to reach their full potential. JMSS is equipped with spacious classrooms, modern computer labs, spacious science labs and many other updated school facilities. Students who graduate from John McCrae Secondary School will have both the academic and moral character to contribute and succeed in any of their future endeavors.

About the Location: Ottawa is the capital of Canada. The city is full of culture, with world-class museums and art galleries displaying some of the world's most beautiful collections. The city is always buzzing with excitement, especially during its Winterlude celebration in February and the Canadian Tulip Festival in May. Ottawa has a unique location as it is an urban center with beautiful landscapes in the surrounding areas. On top of all of the amazing attractions the city has to offer, Ottawa is an incredibly welcoming community and a great city for international students to live.
