Pemberton Secondary offers a great community for the students who wish to experience a more rural home stay. Although Pemberton is a rural community, it provides students with the opportunity to spend their weekends at Whistler. PSS has an array of program offerings to meet the individual needs of their students. Some of the programs include academic, online, vocational, adult, Outdoor Adventure Leadership, Summit Alternate, Life skills, and sports. Along with this, Pemberton Secondary School has wireless internet connectivity.

About the Location: Pemberton is a village north of Whistler in the Pemberton Valley of British Columbia in Canada, with a population of 2,192. The village has a rustic look to it, as its roots derive from its farming and mining traditions. The climate in Pemberton is normal for the region, as it is very warm and dry in the summer and mild and wet in the winter.

Extracurricular Activities: Some of the clubs offered at Pemberton Secondary include the leadership club as well as a yearbook club.

Sports Offered: Basketball, Soccer and Volleyball
