Pitt Meadows Secondary School prides itself on its three major concepts that it preaches to its students and faculty; student learning and participation, school culture and communication. In terms of community involvement, Pitt Meadows Secondary has a strong Work Experience program. Students have the opportunity to participate in hands-on work experience in a variety of businesses so that they can gain employable skills prior to graduation. PMSS is constantly changing and reevaluating its goals and strategies in order to make sure each student receives the best quality of education possible.

**About the Location:** Pitt Meadows Secondary is located in Pitt Meadows, British Columbia. The northern sector of the flood plain, closest to Pitt Lake, is largely a peat bog including a large wildlife refuge. On the west side of the Pitt River is Port Coquitlam. The climate in Pitt Meadows is one of the mildest, enjoying the longest frost-free period and growing season in Canada. Spring and fall can often be very warm and pleasant, especially in June and September

**Extracurricular Activities:** Fishing club, Environmental club, Spanish club, Running club, Homework club and a Peace club, and more.

**Sports Offered:** Basketball, Football, Golf, Soccer, Track and Volleyball
