

Revelstoke Secondary School

 search.student-management.com/property/revelstoke-secondary-school/

Revelstoke Secondary School is home to 410 students in grades 8-12. Located in Revelstoke, British Columbia, the school offers a wide-ranging program of studies with a diverse selection of course offerings. In 2011, the school moved into a brand new facility, with a beautiful theater, a new library, state of the art computer labs, and many more new amenities. The staff at Revelstoke works hard to develop the potential in all of their students. The goal is for each and every student to acquire the knowledge and skills that will allow them to be contributing members of society.

About the Location: Revelstoke is a small city of just over 7,100 located in southeastern British Columbia. The incredible Revelstoke Mountain Resort is the center of the community. The area is perfect for students looking for an adventure, with amazing natural sites. The beautiful summer weather allows for residents to rock climb, dirt back and even take aerial tours around the picturesque landscape. In the winter, skiing becomes the most popular activity in the area.

Extracurricular Activities: Extracurricular activities play a significant role in school life at Revelstoke Secondary School with a wide range of clubs, music activities, athletic teams, and drama productions

Sports Offered: Basketball, Cheerleading, Cross Country, Golf, Swimming, Track and Volleyball.
