

Stelly's Secondary School

search.student-management.com/property/stellys-secondary-school/

Diversity is a key element of the culture at Stelly's Secondary School. The school offers a wide variety of core courses, combined with unique elective options. Stelly's Secondary School is home to the district's only French Immersion Program. The school's outdoor education program allows students to partake in activities such as backpacking, camping, canoeing and mountain climbing. Stelly's Secondary also offers a Culinary Arts Training Program, as well as a world class rock climbing gym. With a diverse amount of opportunities, Stelly's Secondary School is a great option for international students.

About the Location: The municipality of Saanich is located just 15 minutes north of Victoria, the capital of British Columbia. The area is known for its unique combination of exciting urban sites and rural landscapes, offering a chance to experience both city and country living. Saanich is surrounded by the ocean, giving residents the opportunity to explore its long shoreline and beautiful beaches. Saanich also offers an abundance of natural trails for hiking and lakes for water activities. Winters are mild and rainy, while the summer months are cool and dry. With its close proximity to Victoria, Saanich allows students to enjoy an urban city with a suburban feel.
