

Transcona Collegiate

 search.student-management.com/property/transcona-collegiate/

Transcona Collegiate is a high school located in Transcona, a suburb of Winnipeg, Manitoba. Transcona Collegiate has had many major renovations and upgrades, an example being a major addition to the east and west wings of the school in 2000. Transcona Collegiate has about 60 staff members, all in which are committed to being an inclusive team that supports the diverse needs of the school community. The schools team mascot is the Titan and their vision is that Titans will be strong in character, academically responsible, and globally aware.

About the Location: The school is located in Transcona, a suburb of Winnipeg in Manitoba, located about 10 kilometres (6 miles) east of the downtown area. Due to the fact that is in such close proximity of the bustling city of Winnipeg, many people travel to the area for forms of entertainment as well shopping. The climate in Transcona is essentially the same as Winnipeg, as ample sunshine is present throughout the year and summers are very mild. The winters can get rather cold and snowfall is present throughout the colder months.

Extracurricular Activities: Transcona Collegiate has a number of extracurricular clubs and programs for students to join, some in which have to do with the outdoors, community service and a yearbook.

Sports Offered: Badminton, Basketball, Golf, Soccer, Track and Volleyball
